

Yo Pitts! Foods introduces their “Snack Pack” to enjoy their delicious mustards on the go!

Just in time for the spring and summer outdoor season, introducing a new snack line of all-natural mustard coupled with pretzels and bread sticks.

provided by Yo Pitts! Foods

Yo Pitts! Foods has created a new “Snack Pack” so you can enjoy two of its all-natural mustard flavors where ever you go. A snack pack will help you eat healthy when you are on the go and is satisfying by itself or when accompanied by a sandwich, wrap, etc.

These snack packs are a perfect addition to the Yo Pitts! Foods’ condiment line (3 ketchup flavors and 10 mustard flavors). Customers have written us stating they are taking our products with them on car rides and hikes, to sporting events and even to their favorite restaurants. Yo Pitts! Foods has made these activities easier with its new “Snack Pack” while the full line of all-natural, gourmet condiments continue to be used for everyday delicacies.

These snack packs are innovative in that they are bringing an “indoors snack” outdoors.
Available flavor packs:

Smoked Maple Mustard & Pretzel

Smoked Maple Mustard & Plain bread sticks

Tangy Mustard & Pretzel

Tangy Mustard & Sesame bread sticks

These innovative snack packs allow Yo Pitts! Foods to occupy two new categories.

- Snacks
- Grab-N-Go

The new Yo Pitts! Foods “Snack Pack” is tasty and filling; it is also resealable, great for a standalone snack or as a lunch companion. Just place some mustard on your sandwich or wrap and dip the rest! These new snack packs can be found in a few select retailers and online at www.YoPittsFoods.com. Foods was formed. Yo Pitts! Foods now has 13 variations of flavors within its ketchup and mustard lines. These condiments are perfect for gourmet and everyday meals, as well as beer and wine pairings. Yo Pitts!
